

Meeting Minutes from Nov. 19

- Showed pictures of past two events
 - Mole Day & NCW
- Need email addresses of all people interested in SAACS for a new email list
 - Give email address to officer to include in list
 - List from meeting shown at end of minutes
- Faculty Advisor
 - Our advisor, Mr. Dunham, has stepped down
 - We are in the process of getting a new advisor(s) very soon.
- Fundraising is a main concern now
 - We have to raise funds to keep SAACS going now
 - Ideas
 - If you have another idea other than one listed, please share the idea with an officer. **All ideas are welcomed!**
 - T-Shirt ideas
 - Official Ball State Chemistry shirts are ones we always get
 - We could advertise these shirts through the department
 - Funny shirt ideas
 - “I survived the Big Whoosh” from CHEM 225
 - @ball_saacs (our twitter handle)
 - Need to inform the printing company before hand to make sure they would feel comfortable printing this.
 - Need other ideas in this category.
 - We need members and other chemistry students to give ideas for t-shirts. The shirts will be sold in the spring.
 - Need both serious and funny ideas for shirts.
 - Need ideas as soon as possible.
 - Dues
 - We would like to hear your ideas on having members pay dues
 - Dues lead to a sense or feeling of ownership of organization
 - Dues could be relative to participation in organization
 - Would be \$5-\$10 a semester
 - ACS members could pay a smaller fee
 - We like our members to be ACS members
 - Dues could hurt membership or involvement of members
 - We had lots of funds come in from royalties from previous advisors
 - These are now not an option.
 - This is why fundraising is important.
 - Goggles and Locks sales

- Brought in a lot of money
- We have spent a lot of that money on activities so far
- Fundraising ideas
 - Bdubs in February
 - This is already scheduled to happen
 - We would like other dine to donate ideas
 - Get goggles and locks from seniors to sell as used for goggle sale next year
 - Could ask CHEM 101, 111, & 112 students as well
 - Would be for a lower price
 - Science based event to sell tickets
 - Kind of like Clash of the Sciences
 - Other ideas would be appreciated
 - Pie in the face
 - Students donate to have a professor pied in the face
 - Donate Jar
 - Snack Fridays
 - Donate money for food
 - Desie will/may chair
 - Advertise with UPB for Friday Night Filmworks
 - Have our club participate in a Late Night
 - Especially if they have a science themed late night event
 - Big Bang Theory Night
 - Get the Physics, Microbiology, and possibly other science related clubs involved.
 - Sell T-shirts in Atrium
 - Could sell other products as well
 - Liquid nitrogen Carnation Smash
 - Could happen during valentines day
 - Need several things
 - Disclosure forms
 - Goggles
 - Could also happen during finals week
 - YouTube video for advertising
 - Posters taped down at Scramble Light
 - Donation letters
 - To family
 - To alumni
 - Pong Tournament
 - \$10 admission
 - Pepsi Pong
 - If Pepsi would sponsor
 - Would take a lot of work to get working
 - Could be changed to a cornhole tournament

- We (should) already have a cornhole set available
 - Car wash?
 - Things that need to happen as an organization
 - Need to start a spreadsheet to see where funds are going.
 - Need to go to the student government
 - Go in the spring with a nice presentation
 - Would like some members to go to help present and give personal experiences
 - Use the possible funds for Science Day
 - Need to work on a Constitution
 - Gregorey James will help
 - End of the Year Party
 - Get ideas and committee together
 - Contact Olivia if you have ideas of what you would like to do, eat, etc. or would like to be on the committee
 - Food would be catered
 - If it is catered we need lots of people to come
 - Current (possible) committee members
 - Ernesto Deltoro
 - Leo Avila
 - Shirley Aramayo
 - Ashley Witkowski
 - Next Tutoring event will be on **December 6th at 10:30**
 - Would like to have more field trips as well
