

## Meeting Minutes 1-29-15

- Introductions of Drs. Lang and Pattison
  - These professors are our new co-advisors for SAACS
- Science Day
  - Is on April 11<sup>th</sup>
  - We need to create a volunteer list
    - Feel free to email Desi or Keya to sign up to volunteer for science day if you want to still volunteer.
  - We need to have ideas for T-shirt ideas
    - The main theme of science day is probably atmosphere
      - If you have an idea for a design feel free to email one of the officers.
- Tutoring
  - Will be led by Olivia
  - Is hosted Wednesdays from 7 to 8:30 p.m.
  - Contact Olivia or another officer to sign up to volunteer with this
  - We could use more volunteers for this
- Letters
  - Send letters to family, friends, businesses
  - Will help us to fund Science Day
  - Everyone needs to send 2 letters
    - Contact Desi or Keya to get letters.
    - Will get receipt for tax purposes
      - May be a bit before we get those to people.
- Organization T-shirts
  - Money is due at the February meeting
  - Color photos of available T-shirt designs are available on the SAACS website
- Snack Fridays
  - Sign up or contact Desi to bake goods
  - Food will be set up in the chemistry office
    - Money for the food has to be donated
    - Can be themed around the holidays
- Elemental labs (formally Sheri Labs)
  - In Daleville
  - Have hired BSU students
  - Dr. Lang suggested having members to go calibrate flasks and get a tour as a result.
    - Specializes in metal chemistry
      - Is important in almost all industries
      - Trip to Elemental labs needs to be soon
        - Eric will email details out.
- Dues
  - ACS members are \$3

- Non ACS members are \$8
  - If you decide to sign up with the ACS
    - We need you to sign up with a special link to help us.
- SAACS New Website
  - Is [saacs.iweb.bsu.edu](http://saacs.iweb.bsu.edu)
  - Has meeting minutes
  - Calendar of events
